Java programming, Web development,
Database Management, PHP

OBJECTIVE STATEMENT

An adaptable, self-motivated, and enthusiastic Computer Science undergraduate seeking opportunities in the industry to gain experience and enhance my skills while contributing to the success of the organization.

TECHNICAL SKILLS

Programming Languages

Python , Java , JavaScript

Web Technologies

HTML & CSS

Hardware Skills

PC Assembling, Troubleshooting, Basic Networking

SOFT SKILLS

Solution Oriented

Communication

Creative Thinking

Adaptability

LANGUAGE

English

Professional Working Proficiency

Sinhala

Native or Bilingual Proficiency

GCE Ordinary Level - 9A's

St. Joseph's College, Colombo 10,
Negombo Branch
2012-2023

CERTIFICATES

- Programming in Python -
  University of Moratuwa | 2024

- Web Designing - University of
  Moratuwa | 2023

- Advanced Certificate in ICT -
  BCI Campus 2023

- Problem Solving (Basic) -
  HackerRank 2025

VOLUNTARY EXPERIENCE &
EXTRA CURRICULAR ACTIVITIES

Currently holds a membership of the **IEEE**
Student Chapter of IIT

Completed Online Courses & Certifications
in areas such as Web Development, Python
Programming, and Data Structures.

Took part in Photography Circle and
participated in college photography
exhibitions.

INTERESTS

Passionate about participating in
hackathons, contributing to open-source
projects, and learning new programming
languages.

Enjoys gaming, photography, and keeping
up with the latest trends in technology and
software development.

Enjoys singing and exploring music as a creative
outlet.

Enjoys playing badminton as a way to stay active
and build teamwork.
