ABOUT ME

I'm a motivated and detail-oriented Computer Science undergraduate looking to apply what I've learned into real, practical work. I have a solid foundation in Object-Oriented Programming with Java, along with hands-on experience using React and Python. I'm excited to contribute to meaningful projects and grow as a Software Engineer while working with a supportive team.

EDUCATION

- **University Of Westminster**
Bachelor of Science in Computer Science Expected: September 2028
Key Modules: OOP, Database Systems, Web Development,
Westminster, London
September 2024 - Present
- **Informatics Institute Of Technology**
Foundation Certificate In Higher Education : Distinction
Colombo, Sri Lanka
September 2023 - April 2024
- **Benedict XVI Catholic International Institute of Higher Education**
Advanced Certificate in ICT : Distinction
Negombo, Sri Lanka
July 2023- October 2023
- **St. Joseph's College Colombo-10, Negombo Branch**
G.C.E Ordinary Level : 9A's | Basket Subjects : I.C.T, Western Music, B.S.
Negombo, Sri Lanka
2012-2023

PROJECTS

- MomOS - Desktop Application (SDGP)** **September 2025 - Present**
- MomOS is a productivity-focused desktop application designed to monitor user activity, analyze behavioral patterns, and enhance focus using intelligent insights. I developed the Marketing Website, Frontend of the application, Authentication of users, and the CI/CD pipelines of MomOS.
 - Integrated Elasticsearch for high-performance data storage and retrieval, enabling fast querying of activity logs.
 - Tools & Technologies: React, Tauri, Flask, Python, Rust, Elasticsearch, Activitywatch, GitHub Actions

- Notewave - Full Stack Project** **April 2025 - August 2025**
- NoteWave is a specialized communication platform designed to enhance collaboration and organization for university students. I developed the core chatroom module, integrating real-time messaging, meeting scheduling, and interactive polling features.
 - Built interactive poll features that improved student engagement and feedback collection by 55% during testing.
 - Collaborated in a team that reached **the Semifinals of CodeSprintX 2025**, outperforming dozens of competing university teams.
 - Tools & Technologies: React, Firebase, Tailwind CSS, Google Calendar API

Personal Portfolio Website

- Developed a high-performance Single-Page Application (SPA) using React, fully styled with Tailwind CSS to ensure responsive design across devices.
- Built a centralized personal dashboard showcasing current projects, GitHub repositories, and technical skills, reflecting end-to-end frontend development capability.

ACHIEVEMENTS

- Reached the Semifinals of CodeSprintX 2025 as part of a competitive university team.
- Consistently demonstrated strong teamwork, adaptability, and commitment in collaborative academic and technical environments.
- Actively participated in university-level activities and challenges, contributing to both personal and team development.

TECHNICAL SKILLS

- **Languages:** Java, Python, Javascript
- **Frameworks :** React JS, Tailwind CSS
- **Databases :** MySQL, Elasticsearch
- **Deployment :** Docker, Vercel
- **Other Technologies :** Git, Figma, Notion

SOFT SKILLS AND ACADEMIC INTERESTS

- **Personal Skills :** Communication, Problem Solving, Adaptability, Time Management, Punctual
- **Areas of Interest :** Machine Learning, AI agents, Prompt engineering

VOLUNTARY EXPERIENCE & EXTRA CURRICULAR ACTIVITIES

- Currently holds a membership of the IEEE Student Chapter of IIT
- Completed Online Courses & Certifications in areas such as Web Development, Python Programming, and Data Structures.
- Took part in Photography Circle and participated in college photography exhibitions.

INTERESTS

- Passionate about participating in hackathons, contributing to open-source projects, and learning new programming languages.
- Enjoys gaming, photography, and keeping up with the latest trends in technology and software development.
- Enjoys singing and exploring music as a creative outlet.
- Enjoys playing badminton as a way to stay active and build teamwork.
